

# FREE FOR THE ROAD.

Buy an ARP Odyssey in December and get this customized, limited edition ANVIL road case — worth over \$200 — plus your name hand-lettered on the side. Absolutely *free*.

If you know the music business, you know about ANVIL cases. They're used by virtually every top artist you can name, including ARP Odyssey owners like George Duke, Herbie Hancock, Jimmy Page, Ike Turner and countless others.

Here is an unprecedented opportunity to get the world's best performing synthesizer in the world's toughest road case, while you save big bucks.

See your ARP dealer in December. Get him to put you on the road with the best. Then, take off on the musical trip of your life.
