

# PETE'S ARP OPERA.

You know Pete Townshend. He and his ARP synthesizers produce some of the most incredibly creative music of our time. As a matter of fact, Pete used his ARP's throughout the soundtrack of the new "TOMMY" film.

His creations say plenty. About life. And about his choice of musical instruments. His ARP synthesizers help him express himself exactly the way he wants to. His ARP 2600, for instance, has a patch cord and slider system which makes it a natural for live performance or studio work. You'll find one in just about every leading rock band in the country.

Who wrote the first ARP opera? None other than Pete Townshend. There are seven different ARP models to suit every musical need and budget, from \$995 (suggested list). Now, isn't it time you discovered all about ARP... the number one hitmaker.

World's leading manufacturer of  
electronic music synthesizers.
