

# Who's Arp?

That's Pete Townshend's Arp. Pete Townshend of the Who. That's Who! Pete uses our Arp 2600-P because he knows what this Arp Synthesizer can do with the sounds you've heard before. . .and sounds like your wildest dreams!

The Arp 2600 is electric. With the speed and power you need plus all the versatility of big studio synthesizers. . .at your kind of price.

Arp Synthesizers are designed for composers or performers like you. . .and like Pete Townshend. Pete already knows Arp's a sound bargain.

Now it's your turn to see who's next.

- Send me a free Arp demo record. Let's hear it!
- Send me your 100-page Arp Instruction Manual. Here's five bucks.
- Send me information on all the Arp Synthesizers. Hear! Hear!
