

prophet '08

8 - V O I C E A N A L O G S Y N T H E S I Z E R

"...the sexiest little analogue synth I've played in years. It's small, it's light, it's powerful, it's flexible, it's playable, and it's gorgeous."

Sound On Sound, February 2008

"...it's quite possibly the best-sounding, most fun-to-play analog polysynth in the history of keyboards, and absolutely a Key Buy winner. Bravo!"

Keyboard, November 2007

"The Prophet '08 gets my vote for best analog poly synth...ever."

Remix, April 2008

Outstanding Technical Achievement
Musical Instrument Technology
2008 nominee

Best Synthesizer Hardware
2008 winner

Keyboard Key Buy Award
November 2007

The acclaimed Prophet '08 is a compact, affordable, great-sounding 8-voice synthesizer with an all-analog audio path from legendary synth designer Dave Smith.
