Tune in to ElectroComp. We make the finest small synthesizers in the world.

Take the 100, our pace setting keyboard synthesizer which combines the standard synthesizer features with a polyphonic keyboard, four audio oscillators, a four-function filter, and dual envelope generators. A combination of capabilities unequalled by any small synthesizer and many larger synthesizers.

Equally pace setting is its price of \$1095. Take a minute and drop us a card for details on a family of synthesizers that does more.
