

# SYNTHI-E SAVES THE DAY!

Electronic Music Studios (London) Limited. 277 Putney Bridge Road, London SW15 2PT 01-788 3491/2

ALL IS NOT WELL IN THE MUSIC DEPT.  
AT GRUMPUDLE HIGH SCHOOL.  
ONE MORNING...

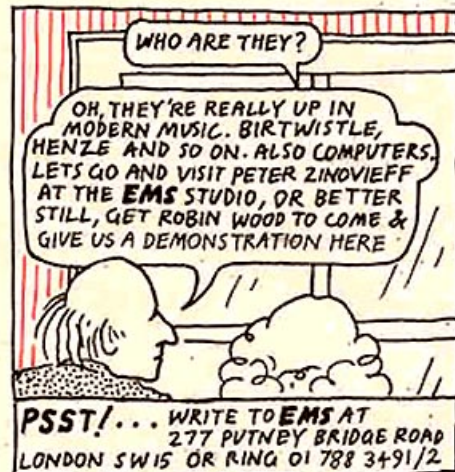

LATER, IN THE STAFFROOM...

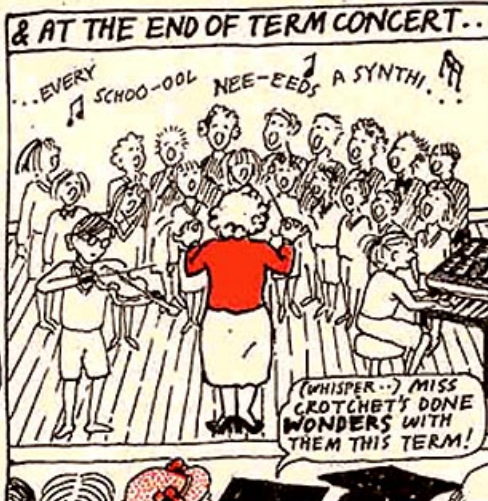

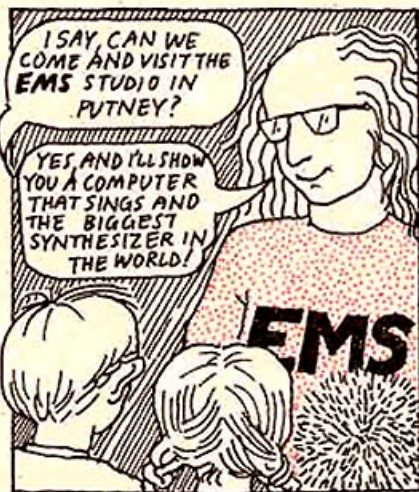

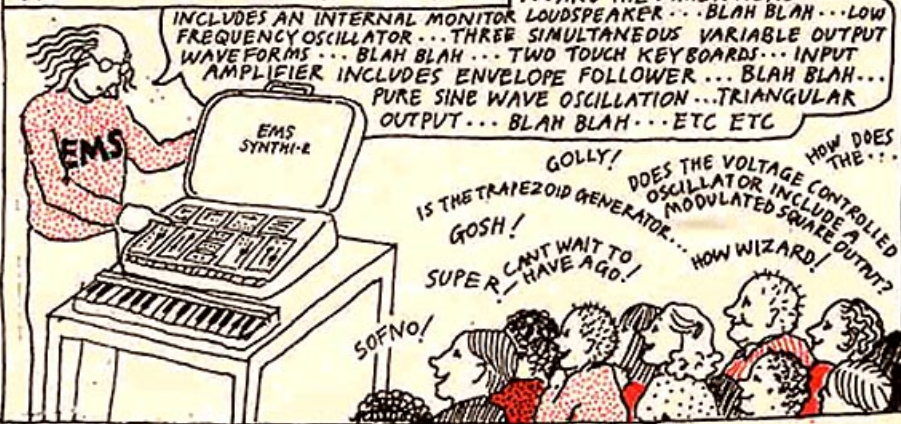

SYNTHESIZER? CAN'T SEE  
THE POINT OF THEM. HORRIBLE  
NOISE, IMPOSSIBLE TO CONTROL,  
I'D NEVER GET THE HANG OF  
ALL THOSE KNOBS. ANYWAY,  
DON'T THEY COST THE  
EARTH?

NOT THIS ONE. IT'S  
INEXPENSIVE, PORTABLE,  
BATTERY OPERATED, AND HAS  
A COMPREHENSIVE HANDBOOK  
WITH A BEAUTIFULLY  
DOCUMENTED COURSE. YOU  
CAN USE IT FOR TEACHING  
THEORY, MAKING MUSIC, OR  
EVEN FOR SOUND EFFECTS!  
YOU'LL FIND THE KIDS  
ADDRE IT. ITS FROM  
E.M.S. TOO.

THE FOLLOWING MORNING...

every school needs a synthi!
