## HOHNER'S ON RECORD WITH TODAY'S BIGGEST KEYBOARD SOUNDS. HEAR FOR YOURSELF.

Hohner keyboards deliver today's most unique sounds. And to prove it, we've recorded them on a soundsheet record. Send in the coupon for a free copy. Then tune in to the sound of Hohner's String Performer, Pianet, Clavinet and Pianet/Clavinet Duo.

On side one, keyboard artist George Mancini starts with some sounds you never knew you could make with a Hohner Clavinet. Like harpsichord, guitar and mandolin. Plus the classic Clavinet sound that's so unique, it's part of most top performers' repertoires.

The next big sound you'll hear comes from the very portable Pianet T. It's no bigger than an overnight suitcase. And its exclusive plucking reed technique eliminates the mechanical problems and reed changes of other portables.

Then get ready for the most exciting sound in keyboards today—the breakthrough Pianet/Clavinet Duo. It has 60 full-size keys. Ranges over five full octaves. And blends Pianet, Clavinet and bass sounds on single keystrokes. Or separates them with the touch of a foot pedal. All in a single manual.

You'll flip over the flip side as George plays a wide variety of music on the incredible String Performer. With the sounds of piano, bass, clavichord, violin, viola and cello. Then, for his big finish, George mixes polyphonic piano, strings and bass with monophonic clarinet, strings, brass and phasing effects.

Our record will open your ears to the most unique sound in keyboards today. Just send in the coupon for a copy.
