

Moog makes the scene.

The synthesizer that started it all is the one behind the innovative new music groups like Emerson, Lake & Palmer and Mike Quatro Jam Band. Behind the restless exploration of new sounds, rhythms and tone colors by Gershon Kingsley's First Moog Quartet. Now Moog quality and engineering are available in the Sonic Six, the complete electronic synthesizer in a compact carry-along case. And the famous MiniMoog that brings studio quality to your live performances. For name of your nearest dealer, write Moog Music Inc., Academy Street, P.O. Box 131, Williamsville, New York 14221.

moog

The first sound in synthesizers
