

The group's "group"...

THE NEW MINI-KORG PERFORMING SYNTHESIZER

In an abstract sense, the Mini-Korg is an orchestral pit bearing the captivating sounds of 50 accomplished musicians!

But in reality, the 37 note synthesizer offers additional talents. Mini-Korg takes customary instrumental characters and innovates 5 octaves of newly created sounds from special wave modifiers. It al-

lows fingertip control of the exclusive Univox twin slide "Traveller" filtering network, its own built-in 2-speed phaser and even a variable pitch slide.

The Mini-Korg has many more professional assets. So pay a visit to your local Univox dealer and meet your Group's "Group"... **Univox Mini-Korg synthesizer only 499.50.**
