

A FANTASY REALIZED

Imagine six of the most amazing synthesizer voices you've ever heard with 2 Oscillators, 15 VCAs, 5 LFOs, 5 Envelope Generators, 4 Ramp Generators, 3 Tracking Generators, Lag Processor, 15 Mode Filter, and FM on **every single voice**.

Imagine being able to control each of these voices easily and independently. A Matrix Modulation™ system that lets you connect 27 sources to any of 47 destinations **per voice**, with an interactive block diagram and 120 display characters to make it easy to use.

Imagine being able to interface all of this to anything you wish: Velocity Key-

boards, Sequencers, Guitars, Computers, MIDI and CVs simultaneously, and of course, the Oberheim System.

We've had these fantasies, too.

The Oberheim Xpander... the fantasy realized. Realize your fantasy at your local Oberheim dealer or write for more information.
