

The new advanced design CE20 combo ensemble.

DIGITAL DEXTERITY.

Introducing the true sound of a trumpet, clarinet, oboe, electric piano, cello, piccolo, and 16 other instrument voices (six 8-note polyphonic and 14 monophonic). All in a remarkably compact electronic keyboard — the Yamaha CE20 combo ensemble.

The reason for all the voice authenticity is simple: FM digital technology. The same as found in our renowned GS1 and GS2 synthesizers.

Of course, the technology itself is not simple. But getting the voice you want is. Just press a button. No complicated control settings, no hassles. Just true acoustic sound.

You also get true acoustic piano feel with the velocity-sensitive keyboard, as well as the added dimension of after-touch response.

And enough user-controlled expression features to personalize the sound. But just enough to make the music without getting in the way of the music-making.

Apply your digital dexterity to the new CE20. It's at your Yamaha dealer now. Or write for more information: Yamaha Combo Products, Box 6600, Buena Park, CA 90622. In Canada, Yamaha Canada Music Ltd., 135 Milner Ave., Scarborough, Ont. M1S 3R1.
