

# Here's your chance to be a Yamaha retailer.

This is it, a once in a lifetime opportunity to become a Yamaha retailer for the Specialty Products Division. Pinch yourself and read those words again: your chance to become a Yamaha Specialty Products retailer.

We've established a new division—Yamaha Specialty Products—to market a variety of new, innovative, portable and affordable musical products. And you can have an opportunity to sell them.

The Yamaha PortaSound™ line is the first of

these. Three little keyboards that are going to add up to big sales. And there are many more new products coming that will put a lot of money in your pocket.

Does that sound like an offer you can't refuse? The prestige and quality of the Yamaha name coupled with increased sales. It should.

But you'd better act now. Don't miss this opportunity to become a Yamaha Specialty Products retailer.

Subject to approval by Yamaha International Corporation.
